## Notes for Teachers

---

### **The Elementary Parts of Speech Teaching Resources eBook**

This collection of over 100 teaching resources from the Teach-This.com website provides worksheets, activities, and games aimed at Elementary (A1-A2) students. These resources have been created by a dedicated team of highly qualified and experienced English teachers and ESL professionals and have been tried and tested many times in the classroom.

The resources can be used in any general English course and are intended to supplement other materials. These resources are flexible enough to be easily incorporated into most lesson plans and can be used to introduce or reinforce language, practice or revise language structures, or improve core skills.

The book contains a wide range of easy to use, practical, and effective supplementary materials that focus on speaking practice as well as vocabulary or grammar exercises or activities to help students develop their reading and writing skills.

### **How to Use this eBook**

First, scan through the table of contents to select a teaching resource. To make the selection process easy, all resources are categorised according to their relevant language point. The table of contents also indicates the aim of each resource and lists activity types that the students will engage in. Shortcut hyperlinks that quickly and easily direct you to your chosen resource are included.

Each resource comes with detailed teacher's notes that provide key details such as activity types, language focus, aim, preparation requirements, and estimated time duration. The notes also include a comprehensive step-by-step procedure and answer keys, making lessons quick and easy to plan. Each resource comes in a user-friendly and printable A4 PDF format.

### **Activity Types Explained**

Each resource in this eBook falls into one of three categories: worksheets, activities, or games. The worksheets provide opportunities for students to examine form and function and exercises typically focus on either vocabulary or grammar. The activities are designed to provide opportunities for students to practice using the language in more interactive and interesting ways. The games offer students more fun and engaging methods to practice the language and help to liven up lessons.

For each language point covered in this eBook, you will generally be provided with one standalone worksheet, one activity, and one game to help students learn and practice the language in different ways.

### **Controlled and Freer Practice**

Speaking activities in this eBook are labelled as either controlled or freer practice. In the controlled practice activities, students are given the target language to practice in a limited form. These activities are more restricted, and the focus is more on developing accuracy. The freer practice activities provide students with prompts that require them to make meaningful choices before they use the language. This enables students to produce the target language more independently with more of a focus on fluency than accuracy.

## Contents

Name	Aim	Activity Type
<b>Adjectives</b>		
1. Basic Adjectives	To learn and practice 12 basic adjectives.	Grammar and vocabulary exercises
2. Adjectives Bingo	To play bingo by matching adjectives with various nouns.	Vocabulary game

## Activity Type

Grammar and Vocabulary Exercises: matching, categorising, gap fill and unscrambling

## Focus

Basic adjectives

## Aim

To learn and practice 12 basic adjectives.

## Preparation

Make one copy of the two-page worksheet for each student.

## Time

25 minutes

## Introduction

In this adjectives worksheet, students learn and practice 12 basic adjectives.

## Procedure

Give each student a copy of the two-page worksheet.

Students begin by matching each adjective with its opposite.

Exercise A - Answer key

1. c 2. a 3. b 4. f 5. d 6. e

Next, students describe pictures with adjectives and nouns from boxes.

Exercise B - Answer key (some wording may vary)

1. cold weather	7. short hair
2. a big dinosaur	8. bad luck
3. a good idea	9. a new car
4. an old man	10. a small mouse
5. hot coffee	11. a high mountain
6. a long snake	12. a low price

Students then complete sentences with adjectives from a box.

Exercise C - Answer key

1. high	4. hot	7. long	10. bad
2. cold	5. big	8. low	11. short
3. old	6. good	9. new	12. small

Finally, students put words in the correct order to make sentences containing adjectives from the worksheet.

Exercise D - Answer key

1. I had a bad dream last night.
2. The giraffe has a long neck.
3. The clouds are low in the sky.
4. Ice cream tastes really good.
5. Summer days can be very hot.
6. My parents gave me an expensive gift.
7. The old city has high walls.
8. I bought some new clothes at the store.
9. The students take a short break at 10 o'clock.
10. David listens to old songs on the radio.
