

### Activity Type

Interactive reading and writing exercise

### Language Focus

Adjectives and their opposites

### Aim

To practice adjectives and their opposites.

### Preparation

Send each student a copy of the interactive worksheet.

### Level

Elementary

### Time

20 minutes

### Introduction

This interactive worksheet helps to increase students' knowledge of adjectives and their opposites.

### Procedure

Students look at the adjectives on the worksheet and write the opposite of each adjective in the space provided.

When the students have finished, go through the correct answers.

Students score one point for each correct opposite. The student with the most points at the end wins.
