Level
Elementary

Time
20 minutes

Introduction
In this sports worksheet activity, students ask and answer questions about which sports four people like and dislike playing in order to complete a chart that contains missing information.

Procedure
Divide the students into pairs (A and B).

Give each student a corresponding part of the worksheet.

Tell the students that they are going to ask and answer present simple yes/no questions with their partner to complete the missing information in the chart that shows the sports four people like and dislike playing.

Draw the students' attention to the worksheet and review the third-person singular question and answer form.

Students then ask and answer the questions and complete the missing information in the chart.

When the students have finished, they answer the four questions based on the completed chart.

Afterwards, review the answers with the class.

Answer key
1. Ella
2. Lucas
3. Daisy
4. Theo
**Student A:** Ask and answer questions about which sports the four people like and dislike playing and complete the chart. Then, answer the four questions.

Example: A: Does Theo like playing football? B: Yes, he does. / No, he doesn’t.
