Introduction

This question words activity can be used to help students practice question words and personal information questions.

Procedure

Divide the students into pairs (A and B)

Give each student a corresponding worksheet.

Working alone, students use question words in a box to complete a set of 12 personal information questions.

Students are allowed to use each question word once.

Answer key (A and B)

1. When
2. How often
3. Where
4. What kind
5. How many
6. What
7. What time
8. Who
9. Why
10. What
11. Which
12. How much

Students then take it in turns to ask the questions to their partner.

Students note down their partner's answers and ask 'Wh' follow-up questions to gain more information.

When everyone has finished, ask the students to give feedback to the class on what they found out about their partner.

Any interesting findings can be discussed in more detail.
