Introduction

Here is a useful worksheet activity for young learners. In the activity, students complete a letter to Santa Claus, telling Santa about the good things they have done this year and the presents they want for Christmas.

Procedure

Tell the students that they are going to write a letter to Santa Claus.

Elicit what the students should write about in the letter.

Give each student a copy of the worksheet.

Students begin by completing the letter with their name, age and location.

Students then go on to write about the good things they have done this year and why they deserve a present.

After that, students tell Santa what they would like for Christmas by creating a Christmas wish list.

When the students have finished writing, have them read their letters to the class.

The letters can then be displayed around the classroom or sent to the North Pole.

Dear Santa,

My name is _____ . I am _____ years old.

I live in _____ . I have been trying to be very good
this year. Here are a few of the good things I have done. _____

I would also like to tell you about what I want for Christmas. Here is my Christmas Wish List.

I will be asleep when you visit on Christmas Eve, but I promise to leave some _____
_____ for you to eat and drink.

Thank you,

Love
