Introduction

This jobs vocabulary game helps students to practice the names of common jobs and their spelling.

Procedure

Give each student a copy of the worksheet.

Tell the students to unscramble the letters on the worksheet to form the names of jobs.

Explain that the students are going to score points for correct answers and spelling.

Set a 10-minute time limit and have the students complete the worksheet.

When the time limit has been reached, ask the students to swap worksheets for marking.

Elicit the answers from the students. Award one point for each correct job and spelling.

The student with the most points wins.
