18. I \_\_\_\_\_ (go) snorkeling.
19. I \_\_\_\_\_ (catch) a fish.
20. I \_\_\_\_\_ (learn) to play a musical instrument.

**B. In pairs, read your sentences to your partner. Your partner must try to work out whether each sentence is true or false by asking past simple follow-up questions.**

Example: I have stayed up all night.

Follow-up questions: Why did you stay up all night?

How did you feel?

What did you do?

If your partner guesses correctly, he/she scores one point.
